Student of the Month

We would like to congratulate
Anja Krause for being our
Student of the Month! Here is
what her mom, Mia, had to say
about Anja's practice regimen.

"Anja practices diligently every day,
even on days when she's short on
time, as she knows that even a few minutes can help build
strength, agility, and memory. She enjoys playing challenging
pieces because she feels that's when she is truly learning.
She also likes to play for her family and friends and regularly
does so at family events." -Mia Krause
